

# Short Course Beauty & Hair

Structure for courses

Below is a list of courses that BABTAC will accredit as part of the Short Course Accreditation (SCA) offering. The prerequisite & minimum assessment requirements, minimum course hours and a guide for the minimum content are noted below beside course title.

If the course you are looking to have accredited is not listed below, please contact us with your request and our education team will assess the content and title to ascertain if it is suitable to be accredited as a BABTAC SCA course.
