

Endorsement 13

BABTAC Advanced Electrolysis extension

This policy is hereby extended to indemnify the policyholder for the provision of Advanced Electrolysis by way of BABTAC/Balens approved devices.

Exclusions applicable

The insured shall not undertake treatment of clients:

- Who wish to have hairs removed from moles without a doctors consent
- Who wish to have moles removed without a doctors consent
- Who are under the age of 16 unless a signed consent is received from a guardian

Subject to the operator holding the necessary certificate of competence and only using the equipment that is designed for this purpose and which is regularly serviced and maintained.

Subject to all other terms and conditions of the policy.
