

# Endorsement 21

## **BABTAC Sunbeds, Sunlamps and Tanning Booths extension**

It is noted and agreed that exclusion 11 in the policy wording is deleted and of no effect and has been replaced with the following:

Cover shall not apply in respect of

- Any claim or liability arising from exposure to ultra violet radiation resulting in
- Malignant Melanoma or malignant non-melanoma skin cancers
- Cataracts
- Permanent aging of the skin

## **Condition – Sunbeds, Sunlamps and Tanning Booths**

It is a condition precedent to liability that the Insured shall:

- Not allow anyone under 18 years of age to use the equipment
- Keep a record of the treatment session undertaken by any client to include details of the date the session took place, their name & address, age and medical history.
- Not allow any person who may be pregnant to use the equipment
- Not allow any person who has previously suffered from skin cancer to use the equipment
- Not allow anyone with abnormal sensitivity to the sun either due to photosensitive skin diseases (sun allergies) or medication to use the equipment
- Ascertain if anybody is taking any medication
- Prohibit the use of tan accelerants.
- Ensure goggles are worn all times during the course of the treatment
- Ensure manufacturers guidelines are followed for the use of the equipment
- Regularly service and maintain the equipment
