Practical benefits to help grow your business

We know that you are busy running your Salon or Spa and want Membership that includes practical and value adding benefits, to bring in more clients and help the day to day running of your business.

You're an expert in your field and we're here to support you, with years of industry experience. BABTAC was established in 1977 by Therapists and we're still run by an experienced Council who understand your needs.

As a not for profit organisation we work for you and have the freedom and flexibility to deliver a personalised service that we're proud of.

The benefits of Salon Membership

- Our excellent insurance policy
- Flexible insurance extensions covering new or specialist treatments
- Special rates for over 20 Therapists
- BABTAC affiliation to attract more clients
- Discounts on training and products as well as special offers
- Help with business advice such as promotion, marketing and HR
- *Vitality* magazine 6 times per year
- An experienced helpline for any questions you have.

Main benefits of Salon insurance

The main benefit of having BABTAC Salon Membership with insurance, compared with insuring each Therapist individually, is that your business is protected against claims. Clients typically claim against a Salon or Spa as a business supplying a service, rather than an individual Therapist who directly provided a treatment. Our policy also covers 'claims occurring' meaning you will still be covered regardless of whether the Therapist still works for you. You also won't pay routine administration charges for updating your policy or changing Therapist's details.

Benefits include:

- Professional, public and product liability of £5,000,000 per claim unlimited per year
- Product liability for retail sales to non clients up to £30,000 per turnover per year
- No excess
- Dedicated legal and taxation helpline
- No restrictions for treating pregnant clients
- No restrictions for intimate waxing
- Includes full professional definition of cover, not just accidental injury giving rise to a claim
- Includes financial loss, libel and slander

Salon contents insurance is also available from our broker Balens. See babtac.com for more details.
